NEWS AND NOTES

1. Zuleyma has signed a title defense of her UWA World Women's Championship against Lady Star (also a ruda) to be held within the next two weeks, but time and date have not yet been finalized.
2. Espectro junior has challenged Mascara Sagrada to a Mexican National Light Heavyweight Title match, so we will see that soon.
3. OVACIONES reports that the WWWC of Japan has formally asked the CMLL for an exchange of talent.
4. OVACIONES is having a fan mail competition from now until 9/15/91: vote for your favorite between Mascara Sagrada and Mascarita Sagrada.
5. The 8/16/91 card at Mantitlan was almost cancelled because it was run by a non-union, non-syndicate promotor named Senor Juan Garcia, and they tried to force him to join the union or they (the union) would withdraw its wrestlers, but several newspapers "exposed" this strong-arm tactic and the card will go on as scheduled as a "good will gesture" by the union.
6. Konnan el Barbaro no-showed (again) a card, this time Wednesday, 8/14/91 at la Arena Coliseo in Acapulco, Guerrero, and the EMLL has "warned" him again and threatened him with suspension.
7. The CMLL Light Heavyweight Tournament is about ready to go. I suspect they will start it Friday 9/13/91, one week after the big anniversary card.
8. Some controversy over the new trio "los Guerreros del Averno," whose heel gimmick in their UWA debut was as rapists (no joke). This team is made up of el Lobo Rubio (the son of the original el Lobo Rubio, Wolf Rubinsky), Shu, el Guerrero (another son of Wolf Rubinsky), and el Hijo del Diablo (not a son of Wolf Rubinsky). They debuted as a team 8/11/91.
9. Both the team of Atlantis and Octagon AND the team of Oro and Plata have challenged Tony Arce and Vulcano for the Mexican National Parejas Championships.
